

Anti-Superstition Play Staged at Allahabad

An Anti-Superstition play (Bhanda Phod) was staged by the students of Colonelganj Inter-College on August 12 in Allahabad. The programme had been organized by the Breakthrough Science Society, Allahabad Chapter, at the end of a ten-day long workshop. In the workshop students were taught a number of science experiments.

Around 400 students and teachers gathered to see the play. Prof M C Cahttaopadhyay, former Professor Department of Chemistry, Allahabad University and ex- president Indian Chemical Society was the chief guest. The participants were presented with medals by Mr Krishnamurari, Principal, Colonelganj Inter-College and Dr Kalyani Roychoudhury, former Lecturer of Jagattaran Inter-college. Dr Lalji Yadav, Lecturer of Colonelganj Inter-collge addressed the gathering and appealed the students to adopt scientific approach and quit superstitious beliefs.

The workshop and programme was coordinated by Mr Dinesh Mohanta, All India Executive Committee Member of Breakthrough Science Society.
