

## Hiroshima and Nagasaki Day

August 9: Breakthrough Science Society, Hyderabad district committee organized a Peace March from Vasavi High School to University College of Science, Saifabad. School students from different schools participated in the march. Addressing the gathering Dr.Nathaniel, Advisor to BSS, Hyderabad chapter said that science is a boon and not a bane to society. He said that the bomb dropped on Japan was a bomb dropped on entire humanity and today we should take a pledge to maintain world peace. The meeting at the conclusion of the march was presided over by Ms Swathi. Dr Ramaih, Dr.Radhakrishna, R.Gangadhar (BSS State convenor) and Usha Kiran also spoke.
