

155th Birth Anniversary of Acharya P C Ray observed

2 August, 2016: On 2nd August, discussions and documentary film shows on life struggle and research of Acharya P C Ray were organized by Universe Science Forum (USF) at various places in Ahmedabad and Baroda.

Discussions and film shows were held at Pragati Higher Secondary School, Bhavans Science College, L. M. Pharmacy College Hostel, M. G. Science College and Gujarat University in Ahmedabad. Similar program was also held at the Department of Chemistry, M. S. University, Baroda. In all the programs, students, teachers and professors participated enthusiastically in good numbers. There was very good response from the students and they were very much inspired by Acharya P C Ray's life, scientific work and social commitment.
