

## Second Hyderabad Science Conference

7 September 2016: The Second Hyderabad Science Conference organized by Breakthrough Science Society was successfully held at Stanley College of Engineering and Technology for Women, Hyderabad on September 7, 2016.

Sri R Gangadhar, State Convenor of Telangana and A.P, presided. Prof Ravindharan Ethiraj, Retired professor of Osmania University was the main speaker. Addressing the students he explained the developments of science and technology and its importance in the society for the development of various fields. Sri S Janibhasha, Asst Professor, Dept of Electronics, GITAM university made a presentation on the Evolution of human race. He said that science has to be studied not just as an academic subject but it should be applied in our day to day life so as to free ourselves from blind beliefs, prejudices etc that are prevailing in the society. He also appealed to the students to take part in science movements against unscientific thinking. Dr Rajitha, Asst Professor, GITAM University explained the scientific methodology and urged the students to apply it in daily life.

At the end of the program, a 14 member Hyderabad district committee was elected with D Gangaji as President, L Sarath as Secretary, Poojith Raj as Joint Secretary and 11 council members. Nearly 350 students attended as delegates. BSS volunteers Shravya, Apoorva, Prathusha, Priyanka and Ramya took active part in organizing the conference.
