SCIENCE CONFERENCE - KURNOOL CITY

The Breakthrough Science Society, Kurnool city committee organised its 2nd Kurnool city conference at Dr.K.V.Subbareddy College of Engineering for Women, Kurnool on 22nd February 2016. Around 220 delegates from various Colleges actively participated in the conference.

The conference was presided over by Sri.R.Gangadhar (Convener BSS). In his speech, he pointed out the aims and objectives of BSS and the necessity for building a science movement in the country. He also spoke about the ethics in science.

Dr.E.V.Subbareddy, Principal,KVSW inaugurated the conference. In his inaugural speech mentioned the bad influence of superstitions on society.

The Main speaker Ms.Rajani K. S, spoke on the topic 'Ancient Indian Science - Reality vs Myth'. She explained how pseudo science is being propagated by the rulers in the country. She also spoke about growing fascistic tendencies in our country. She appealed to the students to take great scientists as their role models.

Sri.Jani Basha (Asst.Professor, GITAM University, Hyderabad and All India Committee member, BSS) discussed on the development of Science & Technology in India. He criticised the negligence of the governments towards research in science.

The ex-convener Mr.Viswanath Reddy and co-convener Mr.Venkateswarlu also spoke in the conference.

A new committee was elected with President - Sriman Narayana (B.Tech), Vice Presidents - V.Harish Kumar (B.Tech) and Sarath (B.Sc), Secretary - Narayana Reddy (B.Tech), Treasurer - Mitra Kumar and 10 executive committee members and 20 council members.
