

India March for Science – August 9, 2019

Town: Bilaspur State: Chattisgarh

A rally was organized from Gandhi Chowk to Old bus stand at 04.30 pm. Participants chanted slogans: "Oceans are rising so are we, Science is the poetry of reality" etc. to name a few. Prof Kaladhar, HOD Microbiology, Bilaspur University addressing the participants explained how science is the answer to every problem. Dr Prakash, CIMS hospital, spoke about the need to inculcate scientific outlook in order to fight superstitions. Students from GGU, Maulana Azad College of education and DP College Bilaspur participated in the March program.
