

India March for Science – August 9, 2019

Hazaribag, Jharkhand

In Hazaribag, the March was organized from Ananda High school. Around 50 participants took part in the march raising the demands for increasing fund allocation for education and research. Participants also raised slogans against the spread of pseudo-science and superstitions in the society. Participants also carried portraits of great scientists. Mr Debasis Mahato, Principal of Ananda School, Mr Rajesh Kumar and Mr.Fazal Kumar addressed the participants.
