

India March for Science - August 9, 2019
Mysore, Karnataka

A March for Science was organized on 9th of August in Sharada Vilas College, Mysore. There were nearly 50 participants. The dignitaries present were Mr Prashanth, Assistant Professor, Vidyavardhaka College, Dr Suresh, Principal of Sharada Vilas BEd College and Nileena Thomas, Breakthrough Science Society. The dignitaries were first welcomed by the college authorities. It was followed by Nileena speaking about the objectives, demands, importance and the need for March for Science today. The chief guest of the day Mr Prashanth spoke about the importance of scientific temperament, upholding article 51A and strategies to inculcate and promote scientific bend of mind. This was followed by a miracle busting program by Sunil and Puttaraju leaving the audience captivated and amazed on realizing the science behind the fake black magic tricks.
