

## India March for Science – August 10, 2019

Pondicherry

At Pondicherry, the March for Science program was held in the form of a hall meeting on August 10 in the morning. Smt R.Hemavathi (retired Head Mistress and Vice President, Puducherry Science Forum), Dr R Venkatesan (Breakthrough Science Society, Tamilnadu), Dr.Vaikkamathi, Mr Ravindar Singh Bella, Mr P.Visakan and Mr.Elumalai (Breakthrough Science Society, Puducherry) spoke in the meeting. The speakers emphasized the need for providing adequate fund for education and scientific research. They also expressed their concern about the growing trend of mixing up of mythology with history and science. Teachers, students and general public numbering 80 from Pondicherry town participated in the program.
